

Dear Artists,

The Art Gallery Fundraiser is fast approaching and our call for donations is closing in the next few days. The event takes place on Feb 24 in the evening, and is our major fundraising event in 2018. This event will support upcoming exhibitions, programs and our transition back into our barrier-free building in the fall.

If you think you could support the event and Gallery with a donation of original artwork valued at \$999 or less for our silent auction please contact me. We are looking for medium – small 2D artworks as well as smaller 3D/ sculptural items as well. All donations are welcomed and a tax receipt for the 2018 tax year will be provided for the value of the donation. We can provide free tickets to the event but the value of these tickets has to be deducted from the value of the tax receipt -as per CRA rules. More info on our event

We are also interested in experiences for our patrons to bid on, for example, a couple's oil painting class, or group watercolour colour class. If you have a passion for, and experience teaching groups or individuals and this interests you please contact me.

Your support is appreciated regardless of your ability to answer this request.

I look forward to seeing or working with you in 2018 or in the future. Come and visit us in our temporary space at 6D Perron Street until the Fall of 2018, we'd love to see you here.

See you soon.

Best regards,  
Jenny
